

THE GREETERS @ REDEEMER LUTHERAN CHURCH

March/April 2023

Ok, so here we go. Another Lenten season is in the works. This whole season starts in February this year so I have put the normal rotation at the top of this schedule. The special services are at the bottom. Please take note of the times on these services. It's easy to get lulled into the same-o, same-o, but there is some time shuffling there, so please pay attention.

The season starts before the last Sunday in February this year. According to my records, we left off with Lorelee Fink on New Years Eve so I am picking up with Paul and Cindy Fleckenstein to kick this off on **22 Feb.** And Cindee Suhr gets the honor of helping with Easter Sunrise service.
