

THE GREETERS @ REDEEMER LUTHERAN CHURCH
May/June/July 2022

Service times are 8:15 and 10:45. OK folks here we go. At this time we have enough volunteers for the early service and we are still waiting on 4 more for the late service. You can kind of see how this works. The more we have, the less you have. And you and your children helping out get your own nametags located in the drawer of the South Entrance registry island - it says Greeter Nametags on the front of the drawer. We encourage the children to help out with their parents.

There are some minor adjustments on this schedule so we can get started with the second service now that we have more names. This schedule runs through July and will be just a bit different from the Newsletter. So please use this as the real deal. :})

The only equipment you need is a good attitude and a friendly smile.
