

THE GREETERS @ REDEEMER LUTHERAN CHURCH

October-November-December 2023

Beginning with Thanksgiving eve our special services are back again. Bottom half of schedule. The top of my lists and working my way down just like in the past. I am starting from where we left off last April. Keep your eye on the times in the bulliten or online as these special services have a way of moving around and many times I don't have time to let people know.

You can contact me at garyksgeemail@gmail.com or contact the church office at redeemersiouxcity.com.
