

THE GREETERS @ REDEEMER LUTHERAN CHURCH
November-December-January 2024/25

Beginning with Thanksgiving eve our special services are back again. I am starting from where we left off last March. Bottom half of this schedule and working my way up & down the list just like in the past. Keep your eye on the times in the bulliten or online as these special services have a way of moving around and many times I don't have time to let people know.

You can contact me at garyksgeemail@gmail.com or contact the church office at redeemersiouxcity.com .
